

# Legacy 7.5 CLASSES

## Family Tree

(This is a free update to version 7.0 and 7.4)

### The Easy Way to Learn all About Legacy 7.5

#### Beginning Legacy Classes to Begin in January at the Hemet Public Library

Larry Bowles will begin a series of beginner classes on how to use Legacy 7.5 in the Conference Room of the Hemet Public Library. These classes will begin at 10:30 a.m. and go to 12:00 p.m. every 2nd and 4th Wednesday of the month. PAF 5.2 is no longer supported by the LDS Church in use with New Family Search and Legacy is one of 3 programs recommended for use with New Family Search. If you barely understand how a computer works, then this is the class for you. If you have Legacy 7.5 but haven't figured out all of its many uses or if you are a beginner who has NEVER used the program, then this is the class for you!! Larry has promised it will be a step by step series that all beginners will understand with handouts to assist your practice at home.

**The first class begins on Wednesday, January 11, 2012 "Getting Started with Legacy."**

**January 25<sup>th</sup> will continue with "12-Step Checklist to Using Legacy"** including how to show half siblings, going over all preferences and quick bookmarks.

**February 8<sup>th</sup> class will include "Legacy's Ultimate Guide to Resources"** using the latest accepted methods for documentation of your sources which Legacy has included in its program software.

**February 22<sup>nd</sup> class "Legacy Documentation of Sources"** A continuation of the February 8<sup>th</sup> class.

**March 14th class "Researching with Legacy: Mastering Events and Chronologies"** deals with learning how to document and properly enter Census records, Pre-1850 census records, Military records, City directories and much more.

**March 28th class "Legacy's Tagging and Searching Made Easy"**

**April 11<sup>th</sup> class "Creating and Sharing Perfect Reports"** Create reports for sharing and publishing, sending e-mail and creating books.

**April 25<sup>th</sup> class "Insider's Guide to Legacy: Tips and Tricks"**

**May 9<sup>th</sup> class "Picturing Your Legacy: Working with Digital Pictures in Legacy"**

**May 23 class "Legacy's Charting Companion" – Creating Beautiful Charts complete with Photos**

**Because of limited space, we are asking those interested to sign up in the Duffin Heritage Room in the Hemet Public Library or contact Larry Bowles, the instructor, at [fersken@verizon.net](mailto:fersken@verizon.net)**
